

AUDIENCE RATINGS

June 2006

This monthly feature selects prominent local productions, and ranks them in terms of AR ratings. Selected foreign programmes are shown only for comparison.

ARs are weighted over the period of transmission, and the number of transmissions during the calendar month. Data is supplied by the South African Advertising Research Foundation, and processed by Interactive Market Systems (South Africa) (Pty) Ltd.

The above represents a selection of programmes only, and is calculated on the total calendar month's weighted average of the total audience over all age groups. If you want a particular programme included, please email Enid Venter at enid@702mail.co.za. The purpose of the schedule is to show the types of programmes South African audiences view, and to what extent.

Don't ask your mother if she likes your programme, ask your audience.
Get to know who's watching you now, and who's watching the slot you're going in to.

We can tell you the most amazing things about your viewers. We can even tell you who left you after five minutes.

We can track your audience down to details that will surprise you. Audience analysis data, any way you want.
