

**Cape Town** reports a very good run on international commercials all being crammed in before the 'end of year madness'. Also a good end to an otherwise slow production year on local commercials. On the feature side 35mm processing for Lost boys 3 and 16mm pick ups for History of America. A good start to the new year looks hopeful as many advanced bookings have been made for commercials.

**Johannesburg** is still processing Strike Back for Out of Africa, but the commercials have dropped off as the year end approached. The commercials submitted by Media Host also dropped off for December.
